

2019 Alabama Damage Prevention Summit Locate Rodeo

This year's event is limited and entry is free so register early!

PRIZES:

1st & 2nd place in each division. Cash prizes (Amount will be determined by number of entries)

The Grand Champion of this year's event will win an all-expense paid trip to the International Utility Locate Rodeo.

Entry to compete in the Locate Rodeo is free. You may enter more than one division (Gas, Power, Telcom and/or Water) as space allows.

The Alabama Damage Prevention Summit is an annual event focused on educating all stakeholders in many useful tools for preventing utility damages.

The Summit includes a Locate Rodeo at this year's event. The goal of the Locate Rodeo is to provide recognition to the locate technicians who protect our communities daily. Locate Rodeo is managed by the Alabama Damage Prevention Summit Committee; that will coordinate a variety of volunteers and sponsors.

The Summit Locate Rodeo is a competition for underground utility line locators. This one day event is an innovative approach to highlighting the skills of people who otherwise would go unnoticed for job well done.

Competitors demonstrate their talents under pressure in a competitive environment. Locators will compete in one of four divisions: Gas, Water, Power, or Telecom.
